There were 250 students representing groups such as student council, class councils, and student government organizations and 40 advisors in attendance. The day started with a keynote address from Assemblywoman Dunn. ## The Great Kindness Challenge –

On February 11, JTHS held their Great Kindness Challenge breakfast for Jefferson Township first responders. In attendance were members from Jefferson Police, Milton First Aid Squad, Jefferson Rescue Squad, Fire Co 1, and Fire Co 2 along with the students from a homeroom with 100% donation participation. In addition to breakfast, each first responder location received a basket full of non-perishable snacks that were donated, by students and staff, during the week of The Great Kindness Challenge.
