The Board may require the compilation of a list of the names of students being transported by a school bus to a school-sponsored activity, including but not limited to, field trips or interscholastic sports programs. The staff member(s) supervising the school-sponsored activity shall create a list of students on each school bus and submit it to the Principal or designee, and the Principal or designee shall maintain the list for use in the case of an emergency in accordance with N.J.A.C. 6A:27-11.5.

When the schools of this district are closed for inclement weather or other conditions, no transportation will be provided for students enrolled in any public, nonpublic, charter school, and/or renaissance school.
